## All-New C830 Printer Series and MC860 MFP Series Consumables Available from OKI Printing Solutions!

**For the best of both worlds, look no further than the C830 Series printers and consumables from OKI Printing Solutions.** The C830 Series combines the versatility of wide-format printing with outstanding HD Color output in the most compact design to offer the best value in tabloid color printing. These affordable color printers enable you to print documents in letter/A4, tabloid/A3, even 52-inch banner formats—in unequaled HD Color. We are your source for the C830 series consumables, ask your representative for more details!

**The MC860 MFP Series is the first in its class to combine wide-format color MFP functionality with a unique compact size and affordable price.** This series redefines the medium workgroup A3 color MFP market by enhancing in-house, high-quality tabloid color printing, copying, scanning and faxing for businesses of all sizes. Businesses can now increase their productivity with a color MFP and consumables that delivers full A4 and A3 capabilities. We offer a wide-range of consumables for the MC860 MFP Series, call your sales representative today!
